

2017 PARKING POLICY

Unit 1 - No 6, Church St
MOOREBANK NSW
02 8798 5560

PARKING

The parking policy has had to be established, due to the potential risks facing children in the parking area and child safety, but also to ensure that there is no risk to our tenancy, by members of upsetting our neighboring businesses and residents.

Kindergym parents attending MORNING Kindergym / Minigym classes during the week – Monday to Friday will be permitted to park in the parking spots onsite.

There is also ample street parking out to the side of the premises in Kaleski st and the front of the premises in Church rd.

All other classes – including Saturday MORNING Kindergym – must only park on the street.

At NO time should anyone from Altitude be parking in the spaces allocated for Unit 2 on our premises at any time, as this could cause tenancy issues.

We cannot risk having any parking issues with our neighbours, that could potentially cause tenancy issues for us.

Parents found parking in the spaces allocated for Unit 2, will be asked to move their car. If a second offence occurs, the membership and therefore attendance at class, will be suspended. Once suspended, a meeting must be arranged with management, to discuss a resolution.

In the afternoon there will be a drop-off zone in place. Please proceed to the back gate to enter the premises. Please note however there will be no onsite parking for parents in the afternoon.

This policy is in place to minimize the movement of cars and ensure the safety of our children. It will be acceptable to stop and drop in the drop off zone, as long as you do not get out of your car.

Can I drop off and pick up later? Yes – please feel free to drop and go. However please make it a habit to park your car outside and walk inside to pick up your children at the conclusion of their lesson.

We will not allow children to go outside without an older sibling or parent who are under 12. If your child is under 12 **please do not pull INTO or park IN the driveway**. As again you must remain with your car, and your child will not be allowed out of building without you.

The Gate

In agreement with the owner, the front main gate will be closed at 6.30pm, due to security reasons. We are currently exploring ways of allowing entry to parents for pick-up. Such as intercom, keypad, or a completely separate, security, pedestrian gate. Once a system is established, parents and athletes will be informed as to how to access the premises after 6.30pm. The gate will open again at 7.45 for classes finishing at 8.00

Noise

As we are located in a residential area, please ensure that your car radio/music system is on a quiet setting and that you are leaving in a quiet, respectful manner, so as to not disturb our neighbourhood.
